Abstract: TBC

Keywords: TBC

1 Introduction

2 Background

2.1 Model Driven Engineering

TBC

2.2 Domain Specification Language

TBC

2.3 Artificial Intelligence

TBC

2.4 IoT Definition :

Do not forget that we are particularly working on IoT domain application and specifically on signal synchronisation for healthcare use case (EEG and ECG).

3 State of the Art

3.1 AI for MDE/DSL

3.2 MDE/DSL for AI

4 Case Studies

4.1 Application domains
